Reschedule Everything

Changes to OMNI Center events and activities this weekend

You guessed that whatever you planned to do this weekend was canceled. Hope you're snuggled up with a good book tonight... and tomorrow... and maybe more. Here are the schedule changes already on the calendar.

Resilient Communities Initiative (was to be Friday Dec 6)
Now Saturday Dec 14, afternoon, time TBA

Citizens Climate Lobby (usually the first Saturday at 11)
Now Saturday Dec 14, 11 am @ OMNI

CCL is making surprising progress with lawmakers on good energy policy to reduce greenhouse gas emissions. Your help in writing and calling can make a difference! Please come.

WE Connection for Women (usually 2nd Sunday @ 3:00)
Plans to be announced, but don't come Sunday

Video Underground (usually 2nd Sundays @ 6:30)
cancelled for December, try again January 12.

Nelson Mandela passes

95-year old statesman receives well-deserved accolades from around the globe

Thank you Nelson. The world is a way-better place because you came. Still a long way to go, but you gave it your best shot and made a big impact.

Yours is a name to add to the Gandhi / King / Mandela legacy list, in my opinion. Tell 'em "hi" for us when you see 'em. We miss all of you, down here in the trenches.
