Making the world a friendlier, more just place

Civil Rights Roundtable

Monday Dec 12, 6:00 pm

OMNI Center
3274 No. Lee Ave
Fayetteville 72701

Monthly potluck celebrating diversity while we learn from each other. All of us need a forum where we can meet people who are different from ourselves. This is an informal, relaxed way to make connections across fences.

Potluck begins at 6:00, you are invited to join us.

Civil Rights Roundtable is a collaboration between OMNI Center, the Workers Justice Center, and other area groups who share our values. The Roundtable is held Monthly on the third Monday. Meetings alternate between Fayetteville at OMNI Center, and Springdale at the Worker's Justice Center, to reach a broader group of people. This month will be at OMNI. Citizens Climate Lobby

Creating political will to end climate change

11:00 am
Saturday, Dec 14

Rescheduled from last Saturday, sure hoping for better weather this weekend.

Citizen's Climate Lobby has been working for only two years, but they've got a good model for engaging legislators from many different political perspectives. They've grown from a dozen affiliates to nearly 200! And OMNI 350 is one of their active groups.

Citizens Climate Lobby is pouring creative energy into getting a good energy bill through Congress that will feature a strong carbon tax... something that they said could not be done. Well they just might succeed.

If you'd like to know more about how this group works, and meet the local CCL team, you're invited. A potluck lunch is included, so bring something to share if you want.
