Climate Change Book Forum

Sunday June 1 -- 1:30 pm

Fayetteville Public Library-Walker Room

Communicating With Conservatives

**Patrick Kinnemon
Presenter**

Featuring the work of Jonathan Haidt, social psychologist who has been researching the ways conservatives and liberals see the world. Patrick reports some pretty interesting views on how we communicate, and how we can talk better to people from the "other side." You'll find this very interesting. Definitely worth a Sunday afternoon.

OMNI Summer Just Around the Corner

OMNI Youth Home

Still some openings for youth in the program. Application deadline approaching though. Don't wait too long.

Donations toward youth scholarships also needed, as we find access to the low-income youth who need the program most. Full scholarship is \$100, donations for partial scholarships also appreciated.
