## Collective Liberation Book Study

**Sunday Jan 18 - 1:30 pm**

*Towards Collective Liberation: Anti-Racist Organizing, Feminist Praxis, and Movement Building Strategy*  
**at OMNI**

Chris Crass book tackles head-on the crisis of a democracy still based in domination. The struggles he details from his own work show how movements for change can change that. It's helpful to be reading the book, but not necessary. Currently reading the chapter on Food Not Bombs on page 37.

## Martin Luther King Jr / Racial Justice

**Sunday Jan 18 - 6:00 pm @ OMNI**

Meet people, get to know what OMNI is about and where you might fit in. This monthly Mixer is an informal ongoing event meant to include you. On the 3rd Sunday of every month. If you're inclined to share, bring a finger food along.

This month, on the day before the birthday of civil rights icon Martin Luther King, Jr, Dick Bennett will do a brief talk about the peace message of King's work. There may be other people available to talk about civil rights in the 21st century.

Please come.

## OMNI [HEART]

### Generous OMNI folks keep the fires of love burning

OMNI Center is because of YOU. Fayetteville has a center for peace, justice and environmental sustainability because OMNI people keep the lights burning. In return, we help make Fayetteville the kind of town that smart, good people want to live in.

Thank you to all the great OMNI folk who have already sent in their memberships and donations for the coming year. We [heart] you deeply. And hope to see you at the Annual Meeting Feb 21.

If you haven't sent in your membership there's still time! And if you didn't receive a member letter, please email! We want you on our list!
