## ARM Ourselves for Justice

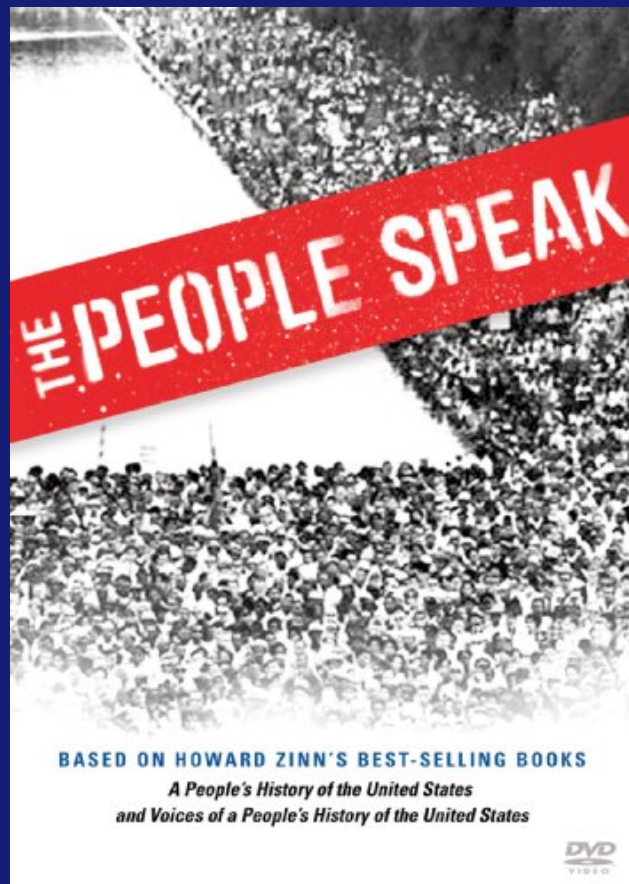

Another way to re-balance the universe

# The People Speak

based on work of the great Howard Zinn

Wednesday April 1

6:00 pm at OMNI

## ARM is Anti-Racism Movie and Discussion Night

First in a monthly series of videos on race, class, gender, and all the "isms" that trap us in a lonely world. This is a chance for OMNI people and friends to talk about the oppression that silently locks this unfriendly system in place, and to begin it in a caring space. It's important that we have

this conversation, because oppression - especially racism - is the lynchpin holding the whole rotten thing in gear.

Join others ready to take on the system. White folks, this is important to us. Come find out why.

Popcorn, light snacks and beverages served ... brown bag if you need more substance. Hope to see you tonight.
