There's lots to do to protect human rights in Fayetteville. The FOR Fayetteville campaign is important for all of us.

Fayetteville wants to attract the people who can help us be a strong, prosperous, resilient community. That means letting people of all genders, colors, languages, and beliefs know they're safe here.

The Uniform Civil Rights Protection Ordinance mirrors policies that are accepted all over, including major companies. Support fairness in Fayetteville and come Sunday to see where you're needed.
