

# WE Connection

**Women Empowered & Connected**

Goddess Festival this Sunday - March 24 - 3:00 pm @ OMNI

Dear (Contact First Name),

This Sunday is WE Connection  
Goddess Festival Edition  
3:00 pm at  
OMNI

OMNI's building is resplendent in its festival refinery. Join OMNI sisters to exult in the pleasure of resting among the goddesses.

Sister Judi Neal will facilitate the discussion, beginning from the idea of spirituality at work. Susan McBay will host the party.

Following WE Connection, Goddess Festival 2013 will conclude with a performance by Selkie,

Selkie is an original ensemble whose music speaks to the mythical, magical past and future that we all share. Featuring such instruments as didgeridoo, Irish whistles, African and Latin percussion, guitars and bass, lush female vocals and rich harmonies, Selkie is hard to categorize. But to be sure, this unique blend of rich influences speaks to something primal and deep in all of us and is sure to enchant and get your soul and body moving.

Our traditional Closing Ritual Circle and the call to release the powers of the directional altars will be included within this beautiful concert event. All are welcome. Bless and release. Blessed Be!

# Irresistable Revolution

Women's history is being made as we speak. women and girls play an important role in this work all over the world.

March is Women's History Month, which affords an important opportunity to highlight the stories of women peace-builders, and bring these issues to life for global audiences. See what we mean at this link:
