Dear (Contact First Name),
This Sunday is WE Connection, and it's Movie and Discussion Day

Princess Kaiulani

The last Queen of Hawaii, deposed and controlled by a budding American empire

July 28
3:00 pm at OMNI

After an idyllic childhood in Honolulu, the willful teenage princess is sent to Britain to receive an education fit for a future Queen. But destiny calls back home, where the Hawaiian monarchy is overthrown and the threat of US annexation looms.

It's a sweeping tale of royalty, romance, and destiny.

Damn. The feminists in this group can have some sweeping discussion about the changing role of women out of this.
