WE, THE PEOPLE.

MAKE A DIFFERENCE DAY is becoming an important day for motivating people to help others and the community. The UofA, for example saw "more than 500" students pack into the Arkansas Union October 18, 2008. The students had gathered to join one of 38 projects in "the biggest day of service" in NWA, according to the UA’s Center for Leadership and Community Engagement. The UA’s Volunteer Action Center offered opportunities to clean up parks, participate in a charity golf tournament, work with seniors or children, clean a community center, and many more. AND OMNI
All of these activities possess value. But a motto of the peace, justice, and ecology movement is "think globally, act locally." And most pje groups add: "And act globally." We can help Make a Difference DAY in Fayetteville perceive connections between local and global and enlarge the definition of "community" by our participation in this DAY each year. Help OMNI prepare for 2009.

OMNI SEEKS A WORLD FREE OF WAR AND THE THREAT OF WAR, A SOCIETY WITH LIBERTY AND JUSTICE FOR ALL, A COMMUNITY WHERE EVERY PERSON'S POTENTIAL MAY BE FULFILLED, AN EARTH RESTORED. GRASSROOTS NONVIOLENCE, WORLD PEACE, HUMAN RIGHTS, SOCIAL and ECONOMIC JUSTICE, ENVIRONMENTAL STEWARDSHIP PROTECTING SPECIES AND THE EARTH. These are OMNI's ideals. Read our brochure and our newsletters, attend our Steering Committee, become an active member of one or more of our committees, participate in our dozens of activities to see how these broad goals are realized in action. There is nothing vague about Building a Culture of Peace once you are engaged in it.
