LAW INSTEAD OF KILLING, MURDER, AND WAR
Bin Laden’s attack on the NYC Towers was mass murder by a handful of opponents of US foreign policy. Response to individual or small group violence is a police responsibility, and the world has Interpol for its protection. But the US leaders inflated the enemies into the status of a nation and attacked with the full armed force of the largest military in the world. D

“Pakistan seeks Interpol help in ex-leader’s arrest” by MUNIR AHMED, The Associated Press. 22 Feb 2012

ISLAMABAD — Pakistan will ask Interpol for help in arresting ex-president Pervez Musharraf regarding his failure to prevent the assassination of former Prime Minister Benazir Bhutto, the interior minister said Tuesday.

Rehman Malik said the government was seeking Musharraf’s arrest because he purportedly failed to provide adequate security for Bhutto, who was killed in a gun and suicide bomb attack in 2007.

He made the comments in a televised address to lawmakers in Sindh province, Bhutto’s political stronghold.

An Interpol spokesman said any eventual request from Pakistan would be “assessed in accordance with our rules and regulations.” The spokesman for the Lyon, France-based international police agency was not authorized to be publicly named, in accordance with Interpol policy.

Musharraf, a one-time U.S. ally, went into self-exile in Britain in 2008 after being forced out of the presidency he secured in a 1999 military coup. The current government is being run by Musharraf’s political rivals, and the president is Bhutto’s widower and political heir.

A Pakistani court issued an arrest warrant for Musharraf last year over the allegations.

Musharraf, an ex-army general who wants to return to Pakistan to contest what will be bitterly contested elections likely this year, said the government was playing politics over the case. Musharraf has repeatedly denied any legal responsibility in the killing.

“This is all politics,” he told ARY television station Tuesday. “It’s just point-scoring and nothing else.”

Pakistan may ask Interpol to issue a so-called red notice, the agency’s
highest-level alert, equivalent to putting a suspect on its mostwanted list. Such a notice on Musharraf would alert police in all member countries to heed the Pakistani warrant and arrest Musharraf.
