**Workers Memorial Day Vigil**

*Remember the dead, fight for the living*

**April 28 - 6:00-6:45 pm**

**Worker's Justice Center,**

**207 W. Emma, Springdale**

Light refreshments following

This Monday, April 28th, you are invited to join the Workers' Justice Center in a candlelight vigil to remember those who died at work in Arkansas this past year.

In Arkansas from January 2013 to now, 32 workers have died on the job from injuries that could have been prevented. At the national level, more than 50,000 workers die every year due to work-related injuries and illnesses, according to "Preventable Deaths 2014," a report produced by the National Council on Occupational Safety and Health. Far too many more have suffered non-fatal but life-changing injuries.

This Workers' Memorial Day, we will join churches, unions, worker centers, city governments, and other communities all over the country to remember those who have died at work, and to re-commit ourselves to improving safety conditions in Arkansas and worldwide.

This Vigil is important to the NWA community of workers, allies, and faith leaders. Please join us on Monday to remember the dead and continue fighting for the living.

With more to come ...
