Climate Change Book Forum
Oil-Free Future - starting today
Sunday July 5 - 1:30 Fay Library
Ann Henry Boardroom

Looking for a way forward to deal with the impact of climate change on all our communities. The Transition Towns Movement sure is an interesting model.

Are you interested in creating a more resilient, connected community as we work together to figure out how to get over our addiction to fossil fuels? There are some ideas here. Come join us this afternoon.

Civil Rights Roundtable
Monday July 6 - 6:00 pm at OMNI

The Roundtable has lots of powerful stuff happening. The exciting, new anti-discrimination ordinance that needs support; the civil rights complaint process that is being developed by us; and the potential for an anti-racism training in connection with OMNI Center.... there may be more by next Monday. But it'll be fascinating, so join us please!

Potluck at 6:00, meeting begins at 6:30. Call OMNI if you've got questions, or want to add something to the agenda.... 935-4422.
